

COVID-19 Core Principles *of Indoor Visitation*

At least six feet apart
between persons.

Respect facility time
restrictions to allow
everyone a chance to
visit their loved ones.

**Social
Distancing**

Respect

Screening

Do not allow people
with signs and
symptoms into your
facility.

**Face
Coverings**

**Hand
Hygiene**

Make sure masks are
covering mouth and
nose.

Alcohol based hand
rub is preferred.
